Morgan Park Military Academy completed the first phase of a long range building program, with the completion of the two story gymnasium addition. The new building provides a wrestling room, additional locker and shower facilities, storage rooms, and a new heating unit for East and West Halls and the gymnasium.

The building program marks the first new construction on the campus since the erection of Alumni Hall in 1927. The aim of the Board of Trustees and the Superintendent is to eventually add a new swimming pool and new gymnasium.

The Academy also purchased a new bus and introduced pick-up service for the cadets.

TO THE CLASS OF 1954

One important phase of life is ending for the members of the Class of 1954. This phase never can be lived again except in memory. Its successes and failures, its triumphs and tragedies, its pleasant and unpleasant moments are matters of history.

For each cadet, MPMA has provided a never-ending series of opportunities for growth. The academic studies have given glimpses of our American heritage and foundations upon which to build a happy and prosperous future. The many activities have afforded situations for the development of leadership. The social affairs have presented occasions for the practice of wholesome relationships between fellow cadets, faculty, parents and friends. Lucky is the young man who has clearly sensed and has properly employed the many opportunities to advantage. He should feel confident of success in the years ahead.

One man gets nothing but discord out of a piano; another gets harmony. No one claims the piano is at fault. Life is about the same. The discord is there and the harmony is there. May each cadet study to play the game of life correctly and to strive for the beauty that always is available. May he realize that the philosophy of "DUTY, HONOR, COUNTRY, MPMA" will stand him in good stead long after his active associations with this institution have ceased.

The many Frosh-Soph athletic teams were primarily manned by sophomores. Warren Rusgis, Gerald Krivsky, Harry Klein, and Ray Regan were exceptional enough to see much action on the varsity teams.

Kenneth Stransky, Steve Grice, Harry Gear, Charles Scruggs and James Paloucek were leaders in the academic field.

MAJOR JOHN S. CHESEBRO

CAPTAIN HOWELL BROCK

M/SERGEANT ROBERT PARKER

SERGEANT AL USEWICZ

SERGEANT JAMES MARKHAM

The Academy was fortunate this past year in being able to maintain the same military personnel that served the school in 1952-53. Their previous experience proved beneficial to the corps in all phases of military activity.

Major John S. Chesebro, P.M.S. & T., taught the Senior Class. Their courses included military organization, technique of fire, combat formations, scouting and patrolling, and tactics of rifle squad.

Captain Howell Brock instructed the Juniors in map reading, military problems, military policy, and evolution of warfare. He also coached the Grenadiers.

M/Sgt. Robert Parker taught marksmanship, and was in charge of the rifle team.

Sgt. Usewicz, Administrative NCO, taught rifle, carbine, hygiene and first aid.

Sgt. Markham instructed drill and command, physical development methods, and military courtesy and customs.

The Band of 1953-54 was far more active than any of its predecessors in recent years. Lt. Anderson is due for much credit in stimulating enthusiasm within the Band.

The Band performed at several community parades, for the Mothers' and Fathers' Clubs, at all home football and basketball games, and at the many pep rallies.

The Grenadiers, under the command of Lt. John Bacino, made many public appearances during the year.

Their first appearance was between halves of the MPMA-Bremen Homecoming football game.

Subsequent appearances were made at the Civic Opera House before the Marine Corps League, the Mothers' Club, the Reserve Officer Association, the Fathers' Club, and in the Chicago Public High School Drill Competition.

The Grenadiers inaugurated interscholastic drill competition on the campus in defeating Marmion M.A. between halves of the MPMA-Culver M.A. basketball game.

VARSITY FOOTBALL

The MPMA Varsity compiled the best season record since 1949, in winning four, losing three, and tying two.

The Warriors were led by Captain Pete Voss who starred as center and linebacker. Ron Loomis, Gerald Krivsky, and Chuck Fischer manned the end positions. Jim Stokes, Gene Frigo and Jerry Zaccari were outstanding at the tackle slots. George Mahon, Fred Pipin, and Bob Viscount were capable guards on offense and defense.

The backfield positions were ably manned by Rich Dina and Roger Peterson at quarterback, Kent Noorlag at fullback, and Bob Freed and Al Gilbert at the halves. The duet of Gilbert and Freed thrilled the corps in scoring seventeen of the twenty-two touchdowns compiled, chiefly on long runs.

VARSITY BASKETBALL

The Varsity Basketball team, under the direction of Coach Harry Olds, won two games while dropping eighteen during the regular season.

The team was greatly handicapped by a lack of height which meant the difference between victory and defeat in a number of games. Ron Loomis, center, was the tallest member of the starting five at 6'1". Al Gilbert, captain and leading scorer, and Bob Faure played the forward positions. Roger Peterson, Frank Caravette, George Beil, and Ron Riggs alternated at the guards.

The outlook for the 1954-55 season is more optimistic with Loomis, Beil, Clasen, Faure, and Lelon returning.

Al,

I never make apologies for not being able to say what I want to when writing in a yearbook, but in your case, I want you to know that what I write doesn't even begin to express my feelings.

Never in my life have I had a friend who has done as much for me as you have. I believe that our friendship is the type that will last eternally. If I forget every other thing I have done at MPMA, I won't forget the wonderful year I spent as your roommate. You've put up with a lot of stuff you'd never let any other guy get away with, and it makes me feel sorry and a little ashamed that I wasn't a better roommate. I can honestly say that I am proud to be able to say, "That's my 'roomy'" when I point to you. In many respects, I have looked up to you, and I always will.

After living with you day and night for the length of a school year, it's going to be hard to realize we're not always going to be together. I don't want our friendship to become a memory. My hopes of seeing you after our graduation all stems from the fact that I consider myself a member of the family. You're a member of the Dare family, you mean nothing to me, but to Mom, Dad, Deb, and the rest).

The University of North Carolina is lucky. You're gonna show them how things ought to be done. I know absolutely that anything you want to do, you can do. Remember that; it's the only piece of advice I'm qualified to give.

Your life is reading and, strong, and certain,

Jim Doss

Love.

Al,

do, I have known you for two years now,
I got to know you better when I became

always respected you because of your
great leadership and personalty, I know yo
will do good in College because you have
it in you, if you ~~can~~ try harder you
get far in this world, Before you go me an

of the boys. If you could quit smoking yo

Al.

Since coming to M.P.M.A. just too short years ago I have known a guy that in my book is one of the finest friends one could possibly want to have. It will be hard for me to say good bye to you Al, because as yaw separated by this great big country of yaurs. but we must be close to my heart for the rest of my yaurs. I know we are in spirit if not in yaur future years at North Carolina State. I'm sure you will be able to do so in yaur future yaurs of foot ball this year because if I continue going out for foot ball I had played with the N.C.U. eleven. I regret not having had gone out I could have said that I freshman year so we the future half back of could start the future I would be able to go from scratch and so that I with one of the four years and become better acquainted best guys I have ever met. I want to take the opportunity to wish you all the luck in yaur remaining years in this cruel world. May fate be good to yaur brother forever

brother have been the two greatest things that have
happened to me this year - Thank you for your friendship

see us all next year. Course I'll be thinking of you and on June 5th
Please disregard the tears in my eyes
